Robert Half International appoints new country manager in Luxembourg

Géraldine Henning brings experience and knowledge to lead Robert Half International in Luxembourg

Luxembourg, October 2008 - Robert Half International (RHI) has announced the appointment of Géraldine Henning (36) as its new Country Manager in Luxembourg with effect from 1 July 2008.

Ms Henning will be responsible for growing RHI's market position in the Luxembourg and for further strengthening its position as a major player in financial recruitment amongst banking and non-banking financial profiles.

Géraldine joined Robert Half International in November 1998 and has since then worked her way through the corporate hierarchy to her current appointment. This challenging 10-year journey started when she took over as Divisional Manager responsible for senior managers in financial management, auditing, taxation and business analysis for numerous high-profile clients, including Suez, Coca-Cola Services, Swift, DHL, Johnson & Johnson and Deloitte Consulting. This experience honed her for her next move to Major Accounts Manager and her later appointment as Business Development Manager in April 2007. In this role she added significant value to the business, identifying sales opportunities; penetrating new markets across Europe; launching new divisions and encouraging cross border sales.

Géraldine has established herself amongst clients and colleagues alike as a highly respected professional, a dedicated worker and a valued friend. After doing her Bachelor's degree in Business Administration, majoring in Finance, at the Institut Catholique des Hautes Etudes Commerciales (ICHEC), in Brussels in 1994, she completed her postgraduate studies in International Affairs at the Katholieke Universiteit van Leuven (KUL) in 1995. In addition to this, she recently acquired a degree in Coaching at the ICHEC in Brussels. She is a keen traveler and sports enthusiast, particularly enjoying hockey, tennis, running, skiing and keeping fit in general.
